

Comundo places and accompanies co-workers on assignments in Africa and Latin America and is the leading Swiss organisation for personnel development cooperation. The cooperation with local partner organisations contributes to the sustainable improvement of the living conditions of children, young people and older people. We offer you the chance to share your knowledge and set a unique milestone in your biography!

IT and E-Learning

Country, Place:	Okahandja, Namibia
Partner Organisation:	Ministry of Education, Arts and Culture Namibia
Duration:	2 – 3 years
Start of Assignment:	according to arrangement

The Ministry of Education, Arts and Culture Namibia is a longstanding partner organization of Comundo and is committed to deliver a fair and inclusive education for all children and youth. In addition, the Ministry promotes Namibian art and culture in favor of national unity and in consideration of its diversity.

Your activities / tasks

The Comundo Country Programme Namibia contributes significantly to a better education for all children and youth. To achieve this goal, we collaborate with Ministry of Education, Arts and Culture, the regional Directorates of Education, and with the National Institute for Education (NIED) for this assignment in the Otjozondjupa Region in central Namibia.

Our task is to support the Ministry in its plans to improve the IT and e-learning capacities at national level and in the 14 regions. This will lead to improved capacity for planners, managers and teachers to implement the subject IT and e-learning at school level.

That is why we are looking for a professional, who is able to conduct the following tasks:

- Update/manage institutional networks, website, and social media
- Develop and digitalise educational resources
- Promote e-Learning services
- Intensification of the networking between the Directorates of Education of different regions and at national level
- Foster documentation and evaluation, strengthen organizational structures, manage knowledge databases
- Assist in the development of a sustainable and viable IT infrastructure
- ICT Skills Training for staff and teachers

Your profile

- Degree in Business Administration / IT / System Administration or equivalent
- Work experience in IT related development and management positions
- Experience in training of trainers, workshop facilitation, monitoring and evaluation
- Excellent computer literacy
- Database knowledge as an added advantage
- Good interpersonal and communication skills
- Very good knowledge of written and oral English
- Resident of Switzerland or Germany

General requirements

- Completed vocational or tertiary education
- At least 2 years of professional experience
- Between 25 and 60 years old.
- Resident in Switzerland or Germany
- Very good knowledge of the national language of the country of assignment
- Intercultural competencies and the ability to act in diverse contexts
- Good physical and mental health
- Basic knowledge in project management, institutional development and adult education welcome
- Ability to work independently and in a team
- High social skills and intercultural sensitivity
- You are motivated to live a simple lifestyle
- You are prepared to contribute to public relations and fundraising for Comundo

We offer

- An exciting working environment with an ample space for initiative, participation and intercultural contacts
- An adequate preparation
- Introduction to the situation of the country of assignment and local support
- Living and insurance costs during your assignment
- Travelling costs in both directions
- Initial financial aid after your return

Application Procedure

Before submitting a written application, we recommend that you contact Comundo and attend an information event in your region. This will provide you with more detailed information about the application procedure, the working conditions, the working culture and benefits.
